ABOUT APRIL BREWS DAY

April Brews Day is Bellingham's biggest and best beer festival, bringing over 4,000 people together each year to enjoy dozens of Pacific Northwest craft breweries and cideries, local food, and live music.

But most importantly, April Brews Day pours its proceeds back into Max Higbee Center: a grassroots organization founded by educators, families, and individuals with developmental disabilities who wanted quality recreation opportunities in Whatcom County.

April Brews Day started in 2001 when the Center had a need for funding and a partnership with Boundary Bay Brewery, which brewed up Bellingham's first beer festival. Now, April Brews Day raises nearly a quarter of Max Higbee Center's annual budget, allowing the Center to continue offering opportunities for friendship, health, life-long learning, the joy of recreation, and a sense of community and belonging.

Equinox Dry Cider 6.9% ABV / The Equinox

Dry Cider is named in honor of the Autumn Equinox, when night and day are approximately equal length all over the earth. It is also the approximate time that this trio of Gravenstein, Kingston Black and Yarlington Mill apples were harvested To make up this delicious and fresh bittersharp cider. At first glance you'll notice its pale gold to dark straw color, and as you raise it to our nose you'll enjoy the aroma of ripe apples, burnt sugar and slightly spicy hints of clove. In the mouth, this perfect cider blend is due to the trinity of sugars, tannins and citrus like acidity. The medium to high carbonation flows through into the mouth and ends with an almost Champagne like finish. The finish is dry and quite clean and aromatic with a sweet-acid flavor.

Two, trying different techniques is absolutely necessary. And three, be nice. Dalton is Bodhizafa's close cousin, with the same ingredients, like Citra, Mosaic and Chinook hops, but with a softer roundhouse kick of peach and cantaloupe notes. And it is very nice. ABV 6.5%

Gusto Building on Gusto Crema blend, a medium roasted bean from our friends at Caffè Umbria, we made a smooth, rich cream ale. This beer has roasted flavor, aroma, and color from cold brew coffee. Smooth, rich mouthfeel comes from oats and Munich malt. Gold medal winner in the Coffee Beer category at the Great American Beer Festival in 2016! Contains lactose. ABV 4.2%

Full Metal Zombie IPA Another fun tribute to our favorite Zombie show, Z-Nation. Unlike the fake zombies in the Season 1 episode it is named after, this San Diego style West Coast IPA is not an imposter that will steal your ride. Look for bright full flavors of Mango, Pineapple and Grapefruit from the ridiculous amounts of Citra, Galaxy, Nelson Sauvin, and Simcoe hops. And cheers to the fan-favorite character, Doc, for surviving this episode. ABV 7.5% IBU 65

Funk'Ville Blueberry Mango Sour A fruited version of our Funk'Ville Berliner Weisse, this kettle sour includes a balanced blend of mango to blueberry with just the right amount of sour. It's a delightful Spring treat! ABV 3.6% IBU 8
